Dare to Dream

Are you discouraged or dissatisfied with your life? Have you lost your vision? Do you need a renewed affirmation of God's amazing plan for your life?

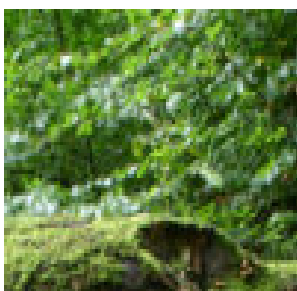

God is a master craftsman of personalized dreams. He has imagined a dream specifically for your life and has already implanted it into your heart. But the Enemy wants to steal and destroy these amazing God-designed dreams before you can make them your own.

God's Word tells us that "without a vision the people perish." Churches and groups need a vision and so do individuals.

If you have lost your passion or the impetus to move forward in your life – perhaps the Enemy is attempting to steal your dream. Don't let that happen! No matter what your situation or how impossible your dreams may seem – God still has a plan for your life. And I'm willing to bet his dream for you is bigger than yours.

Ephesians 3:20 says: "By his power at work within us, God is able to accomplish infinitely more than we would ever dare to ask or think!"

Bill
